Faculty Positions for Fall 2016
Integrated Sciences and Mathematics
School of Science and Engineering

Habib University is a global institution of higher education located in Karachi, Pakistan. It is an undergraduate liberal arts and sciences institution that welcomed its first class of students in Fall 2014. Its liberal arts and sciences framework offers its students the breadth and depth of knowledge in the humanities, social sciences and the natural sciences through a rigorous Core Curriculum, coupled with intensive knowledge in the disciplines, a host of technical skills and vital soft skills; qualities that are highly expected of graduates trained for the global workplace.

The School of Science and Engineering at Habib University aims to be an agent of positive change in society through excellence in locally contextualized and globally competitive science and engineering education. To that end, the School is inviting applications for faculty positions from candidates in Physics, Mathematics and Environmental Sciences. Appointment is expected to begin August 1, 2016.

Successful candidates will bear the following profile:
- Doctoral degree
- Excellent teaching and scholarly credentials
- Passion for undergraduate education
- Intellectual curiosity
- Ability to work well in teams in an interdisciplinary environment

Applications from female candidates are highly encouraged to maintain gender equity within the School. Experience of having studied and/or worked in a U.S. style, liberal arts environment would be highly preferred.

Online applications will be accepted at http://habib.edu.pk/hu-careers/open-faculty-positions/.

The application package must include the following:
- Cover letter
- CV
- Statement of teaching interest
- Statement of research interest
- Representative publications
- Sample syllabi
- Three letters of recommendation
