# THE ACCELERATED CAREER EXCELLENCE (ACE) MANAGEMENT TRAINEE PROGRAM

## FAST-TRACK YOUR CAREER

Habib University's ACE Management Trainee Program is committed to identifying and nurturing future leaders, offering recent graduates an excellent opportunity to advance their careers.

Trainees will join Habib University's vibrant community, collaborating with esteemed professionals from international partners. The ACE program promises a diverse and enriching experience – your gateway to accelerated career growth.

**The ACE Program** offers a structured 10-month path to a regular position at the University

Distinguished as a pioneering Liberal Arts and Sciences university in Pakistan, Habib University's innovative environment offers trainees a chance to engage in continuous learning and growth. It's not just a workplace; it's a hub for intellectual stimulation, where new ideas are explored, and professional journeys flourish.

## APPLICATION PROCESS

Our ACE Management Trainee Program aims to unlock the potential of new joiners through:

Diverse functional exposure

Experiential learning

Mentorship from senior management

Intellectual growth and skill development

**ZAINAB NASIR**

Staff Member,  
Habib University

“

My first year at Habib was a great mix of new learning, fun, and exposure to a broad range of exciting opportunities. I have been closely involved in major events, taken up new hobbies and sports on campus, and had the chance to develop programs for our biggest supporters and fundraising initiatives. All in all, Habib is a great place to start your career.

”

## PROGRAM BENEFITS

All management trainees receive:

Market-competitive remuneration

Medical and group life insurance

One-time relocation allowance for candidates residing outside of Karachi
