هَلْ جَزَاءُ الْإِحْسَانِ إِلَّا الْإِحْسَانُ

Is there any reward for good other than good? (The Qur'an, 55:60)

## ZAKAT

### The Glory of Giving

Zakat is third of the five fundamental pillars of Islam. The word derives from **Zar'**, which means **planting a seed and nurturing its growth**. The effect of Zakat becomes multifold when directed towards causes that contribute to long-term impact on communities.

The institution of Zakat lies at the heart of building an empathic community and has been a key driver for social and economic prosperity for the Muslim ummah. Pakistan too thrives from this generosity. Zakat in Pakistan plays a vital role in social welfare, yet the access challenge concerning Higher Education is largely neglected. Reshaping how we give our Zakat can bridge the gap between quality higher education and affordability, and transform Pakistan's youth to become future leaders.

Your contribution will allow Habib University to educate high-merit students from diverse cultural, social and economic backgrounds.

## HABIB UNIVERSITY

### Refocusing Pakistan's Religious Generosity

Originating from Habib University's philosophy of Yohsin, Al - Ihsan (Goodness and Kindness) resonates with the beauty, enthusiasm, and spirit of religious giving. A first of its kind community-owned institution, Habib University's mission is sustained by the profound generosity and foresight of its Mohsineen – a robust community of Pakistan's philanthropists dedicated to making quality higher education accessible to all.

Through this support, Habib University is able to provide scholarship and financial aid to 85% of its student body, making it one of the most generous universities. Habib University promotes diversity and has a large number of Mustahiqeen students. Through your Zakat, the institution can provide students with a pathway to actualize their dreams. During these uncertain times, help Habib University create certainty through your contribution.

Be a part of the change this year. Contribute your Zakat and make an everlasting impact.
