

**Announcement of Computer Science Faculty Positions for Fall 2020**  
**Computer Science Program**  
**Dhanani School of Science & Engineering – Habib University**

The [Computer Science program](#) at [Habib University](#) invites applications for open rank faculty positions. The Computer Science program is looking for passionate educators to further the mission of the university and the program. Candidates must have completed or must be in the final stages of a doctoral degree in a relevant discipline (especially Theoretical Computer Science). Due to Habib University's unique pedagogical model, the program seeks a cultural compatibility in potential candidates in addition to their academic qualifications. The ideal candidate possesses excellent teaching and scholarly skills, enjoys influencing the intellectual growth of their students, has a love of learning and a passion for Computer Science, is excited about undergraduate research, works well in interdisciplinary teams, and holds a view to contribute to the growth of the institution and betterment of society.

The start date for positions is August 2020 for Fall. Depending on credentials and experience, candidates will be considered at the Lecturer, Assistant Professor or Associate Professor ranks as appropriate.

Successful candidates will teach courses and help shape academic pathways at the undergraduate level. For Lecturers the annual teaching load is 6 three-credit courses and for Assistant and Associate Professors the annual teaching load is 5 three-credit courses.

Located in the world's third largest city - Pakistan's highly affordable, bustling, diverse and dynamic artistic, commercial and intellectual capital of Karachi, Habib University opened its award-winning modern campus in fall 2014 as Pakistan's first university of liberal arts and sciences devoted exclusively to undergraduate education. Classes are typically under 25 students - allowing close interaction between students and faculty. The University prides itself both on its needs-blind admissions policy – assuring access to all qualified students - and the quality and dedication of its increasingly diverse international faculty - over 93% of whom hold advanced degrees from leading global institutions. The University also enjoys close connections with several prominent institutions of higher education in the U.S., including the Claremont Colleges, Stanford, UC Berkeley, the University of Michigan and Texas A&M. An innovation in Pakistani higher education, Habib University is also among a handful of global institutions actively rethinking what defines the liberal arts and sciences in the 21<sup>st</sup> Century.

Qualified applicants should submit a letter of interest, a current *curriculum vitae* and the names and contact information for at least three references via the University's [online application portal](#).
