STUDENT SUCCESS SERVICES INTRODUCTION

Welcome to Habib University (HU), Pakistan's premier Liberal Arts and Sciences institution of higher learning that provides a comprehensive undergraduate education to nurture future innovators and leaders.

During your first year at HU, you may be unsure of how the University functions, what your academic requirements may be, what sort of career path you wish to pursue, or where you should go to receive the help you need to excel in your academics. Habib University is cognizant of the needs of students who are transiting from high school to university and from university to the job market.

We believe in shaping the future of our students with care and compassion and engaging them in a process of thoughtful self-cultivation. To realize this vision, the University has made huge investments in creating a comprehensive student support services framework. HU Student Support Services ensure the overall wellbeing of students, help them to thrive academically and nurture them into becoming thoughtful leaders and conscious citizens.

In the next few pages, we hope to introduce you to the many resources that are available to engage students to their fullest, beginning with their academic journey through the Office of Academic Performance and their on-campus life through Student Life, to their post-university prospects through the Office of Career Services.

Our job at Habib University is to help you find your passion and to foster a new generation of scholars who can positively influence society. We will be with you every step of the way.

OFFICE OF ACADEMIC PERFORMANCE

 oap@habib.edu.pk

 The Office is located on the left as you enter the Student Center.

The Office of Academic Performance (OAP) is one of the first offices you will encounter in your campus life, playing a major part in your induction and orientation into Habib University.

The vision of OAP is to ensure the complete academic and intellectual wellbeing of the HU student body. By providing academic advising, as well as connecting students to a wide range of learning support services, OAP ensures students receive all the guidance necessary for their academic success at Habib University. OAP provides the following services for students:

ACADEMIC ADVISING

In your four-year Bachelors Program, every semester is a new level and a step forward. You may find yourself needing advice every now and again on which courses to select each semester and how to improve your academic performance. You will be assigned an OAP advisor at the beginning of your journey at HU. Your OAP advisor will help to facilitate you in navigating your academic path at HU with success and will be with you every step of the way.

Your advisor will help you find the resources you need to help yourself by connecting you to other support services on campus such as Peer-tutoring and the Writing Center. Additionally, they will help you with academic degree audits, which will allow you to keep track of the progress of your degree and graduation requirements.

Your advisor will hold weekly or monthly sessions depending on your needs, and while these sessions may be mandatory, you can always approach your OAP advisor yourself if you need help with anything else.

How to book an appointment with your academic advisor?

Just email your advisor and ask for a meeting, or drop by their office to have a chat.

EHSAS CENTER

 ehsas.center@habib.edu.pk

 Lower ground floor of the library, take the elevator from the Library or use the stairs from the Writing Centre

The Educational Help, Services, and Academic Support Centre, is a part of the Office of Academic Performance, and is dedicated to providing you the supplemental learning support that you may need during your academic journey. Whether you wish to understand complex course readings, conduct group studies, or even set up reading circles to discuss your course readings, the EHSAS Centre has been designed to attend to all your academic needs. EHSAS prides itself on equipping students with a sense of confidence, a feeling of motivation, and a renewed desire for academic accomplishment. EHSAS focuses on individual development within a supportive and collaborative learning space. The EHSAS Centre primarily runs a Peer Tutoring Program. Peer Tutors conduct individual and group tutoring session throughout the semester, hold revision sessions for exams that will help students during their tenure at Habib University. The EHSAS Center also conducts skill based workshops for students looking to refine skills in areas such as holding effective presentations, notetaking, or programming. To stay up to date with all peer tutoring sessions and workshops, follow the Facebook group **EHSAS Centre - Educational Help, Services, and Academic Support Centre**

WRITING CENTER

 writing.center@habib.edu.pk

 The Center is located on the ground floor of the Library, Information Commons, next to the elevators.

The Writing Center provides support at every stage of the writing process – from brainstorming to final revision, structuring and organizing your paper as well as building arguments.

In order to help you, the Writing Center has both Professional and Peer Writing Tutors who provide assistance through one-on-one sessions, as well as E-tutoring sessions for senior students. Just schedule your visits well in advance of your submission deadline so you have plenty of time to revise your paper. While working with a tutor cannot guarantee higher grades or acceptance into a particular program, school, or job, regularly visiting the Writing Center for tutoring sessions may offer a positive impact on your writing, which in turn may result in better grades.

The Writing Center also conducts several writing workshops during the year that cater to both the lower-level and upper-level students.

To book an appointment with a Writing Tutor, feel free to drop by anytime between 9:00 AM and 5:00 PM, Monday to Friday, or book an appointment by visiting: www.huwc.youcanbook.me

OFFICE OF CAREER SERVICES

career.services@habib.edu.pk

Their office is located next to the elevators near the main entrance lobby of the campus – opposite the main reception desk. Walk-in for a chat or schedule an appointment via email.

The Office of Career Services (OCS) comprises of a team of dedicated professionals, whose aim is to ensure your transition into professional life is a smooth one. The team specializes along two lines, one focusing on Counselling and the other on Placements. OCS provides guidance to students related to job placements, graduate school preparation and entrepreneurial support. From the first day of your enrollment at Habib University, OCS will be working alongside you to ensure that you have clearly defined your career goals. For this, we develop a career plan especially for you and execute it so that you are able to realize your full potential. We also provide student employment on campus in order to provide students with hands on work experience and understanding of work ethics.

OCS provides the following services:

Career Counseling

Career counsellors help students explore available options in their relevant fields by suggesting internships, master's programs, mentors, or jobs as per their needs. Whether you would like to pursue higher education, and a job or an entrepreneurial venture after graduation, HU counselors will be there to help and guide you through the process. You can either drop in for meeting with counsellor or schedule a one-on-one meeting.

Student Employment on Campus

Students are allowed to seek on-campus employment beginning second semester onwards. The Office of Career Services has an effective centralized system for student employment that facilitates HU students throughout their tenure. Student employment serves as a great way for you to gain hands-on work experience and build a strong work ethic while simultaneously managing your studies.

Job Placements

The Office of Career Services facilitates students with job placements and facilitates students in acquiring internship opportunities through various on campus recruitment drives, career fair, organizational visits and much more. OCS will connect you with employers through campus drives, guest speaker sessions, career fair, networking events, recruitment drives and many more activities. The Office of Career Services not only provide guidance students for relevant jobs during their studies but also are available to assist them after their graduation from Habib University.

Support in Entrepreneurial Ventures

OCS also facilitates students in their entrepreneurial ventures by conducting career skills workshops, networking events, entrepreneurship workshops, guest speaker sessions, mentorship programs etc.

Career Skill Training

OCS offers an extensive Career Development Program designed to help students enhance their soft skills as well as develop their transitional skills and tools to gear up for life after graduation. The entire program comprises of different modules and each module helps them learn new skills or develop important tools essential to move from their undergraduate experience to employment, graduate school, or entrepreneurship.

Graduate School Preparation

Students who are interested in graduate school opportunities are guided by the OCS through individual counseling, GRE/GMAT preparatory classes, education expos, and by conducting various workshops on topics such as graduate school application process, personal statement, scholarship information, etc. OCS works collaboratively with faculty and connects students with faculty advisors for selecting programs and guiding them through the application process.

FACULTY ADVISING

Academic Advising is a central element of the undergraduate experience at Habib University. It is intended to be a collaborative relationship between student and advisor, through which students create educational plans consistent with their academic goals. Every student entering Habib University will be assigned a faculty member as an advisor. Students should meet with their advisors at least thrice per semester to discuss their academic progress. Students who are struggling academically should first speak with their academic advisor for guidance.

Your faculty advisor can help you select courses for your program and preferred minors or even connect you with other professionals for advice and insights. They are often required to sign off on your course selections so be sure to keep them informed about your choices and reasoning.

A student's Academic Advisor is listed in the University's Campus Management System (PeopleSoft) available via the Student Portal at the University's Intranet. Students wishing to change their advisor should make a formal request to the Office of Academic Performance.

You can meet with your advisor by scheduling an appointment or visiting them during faculty office hours. During this time, faculty are most likely to be in their offices, available to discuss assignments, concepts and any general queries. The Registrar's Office circulates faculty office hours to students, which can be found at <https://habibuniversity.sharepoint.com/sites/Student/Pages/Office-of-the-Academic-Systems-and-Registrar.aspx>

Faculty offices are located in the Faculty Pods across campus. The pods are clusters of faculty offices, with both formal and informal spaces for interaction between students and faculty.
