SHARIAH COMPLIANCE

Originating from Habib University’s philosophy of Yohsin, Al - Ihsan (Goodness and Kindness) resonates with the beauty, enthusiasm, and spirit of religious giving. A first of its kind community-owned institution, Habib University’s mission is sustained by the profound generosity and foresight of its Mohsineen — a robust community of Pakistan’s philanthropists dedicated to making quality higher education accessible to all.

Through this support, Habib University is able to provide scholarship and financial aid to 85% of its student body, making it one of the most generous universities. Habib University promotes diversity and has a large number of Mustahiqueen students. Through your Zakat, the institution can provide students with a pathway to actualize their dreams. During these uncertain times, help Habib University create certainty through your contribution.

Your contribution will allow Habib University to educate high-merit students from diverse cultural, social and economic backgrounds.

Be a part of the change this year. Contribute your Zakat and make an everlasting impact.
Is there any reward for good other than good?
