- Registration for the workshops will be conducted on a first-come, first-served basis. As soon as the seats available for a workshop(s) are filled, registration for that offering will close.

- All workshops will be conducted Mondays through Thursdays. Fridays will be set aside for community building initiatives aimed at providing you the platform to interact with important university stakeholders.

DAILY MORNING ENERGIZER

Days: Monday to Thursday

Time: 9:15 to 10:00 am

You are expected to attend and participate in Daily Morning Energizers as these activities provide you with opportunities to form congenial teams where you work, learn, and win together! The energizers also provide time to hone your creative and problem solving skills.

MANDATORY WORKSHOPS

ACADEMIC WRITERS' WORKOUT

(Compulsory for all SPLASH'ers)

Days: Monday, 20th June to Thursday, 23rd June, 2022 (with the exception of Fridays)
Time: 10:00 to 11:30 am

University writing is challenging. This workshop is designed to further enhance your academic writing skills and prepare you for the rigor of university assignments. In this workshop, you will learn to build an argument, write in response to a variety of texts, and think critically. It will also help you sharpen your writing skills as well as provide you with tips on how to craft a successful piece of writing for university workshops.

PROGRAMMING FUNDAMENTALS

(Compulsory for all DSSE SPLASH'ers)

Days: Monday, 27th June to Thursday, 7th July, 2022 (with the exception of Fridays)
Time: 10:00 to 11:30 am

Programming knowledge is indispensable in today's world, and learning to code is one of the most valuable and useful skills you can acquire. This workshop will be mandatory for all DSSE students to enroll in and AHSS students may also consider pursuing it. In this workshop, you will learn basic programming concepts by engaging with logic building initiatives. Through the workshop, you will:
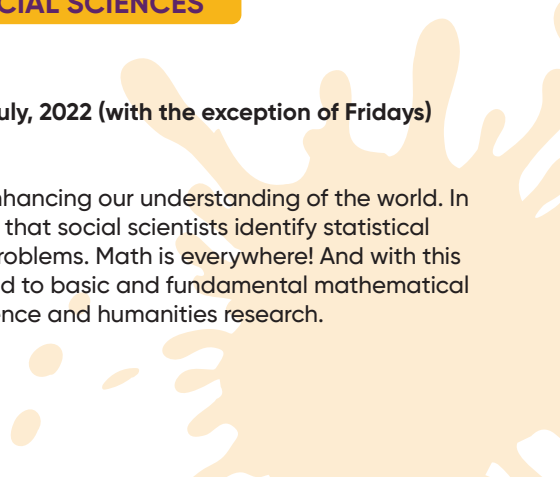

- Achieve an understanding of memory and the processing cycle of a computer
- Start coding in the programming language Python
- Create mini-life hacking projects

INTRODUCTION TO MATH FOR SOCIAL SCIENCES

(Compulsory for all AHSS SPLASH'ers)

Days: Monday, 27th June to Thursday, 7th July, 2022 (with the exception of Fridays)
Time: 10:00 to 11:30 am

Knowing how numbers work is crucial in enhancing our understanding of the world. In order to bring social change, it is essential that social scientists identify statistical trends and patterns pertaining to social problems. Math is everywhere! And with this workshop, AHSS students will be introduced to basic and fundamental mathematical concepts that play a key role in social science and humanities research.

OPTIONAL WORKSHOPS

THE WORLD THROUGH MY LENS: DOCUMENTARY FILMMAKING FINESSE

Round 1: Monday, 20th June to Tuesday, 28th June, 2022
Round 2: Wednesday, 29th June to Thursday, 7th July, 2022
(with the exception of Fridays)

Time: 12:15 to 2:00 pm

The documentary filmmaking workshop will merge the knowledge of the Communication and Design and Social Development and Policy programs. Here, students will learn to shed light on social development issues by capturing and presenting them in documentary format. Through this workshop, students will learn the basics of producing a documentary and the steps, including research, planning, script writing, film shooting, and editing that result in its creation. Students will also learn how to film content via different tools e.g. their mobile phones.

DESIGN THINKING

Round 1: Monday, 20th June to Tuesday, 28th June, 2022
Round 2: Wednesday, 29th June to Thursday, 7th July, 2022
(with the exception of Fridays)

Time: 12:15 to 2:15 pm

Complex problems require sustainable and practical solutions. A creative approach to deducing such solutions is where Design Thinking comes in. Focused on human-centered design, the approach in question helps practitioners address challenges by knowing how to empathize with those being confronted with a problem, defining the problem effectively, ideating solutions, prototyping solutions, and then testing and finally re-iterating them. Being implemented on a global scale, design thinking is a skill students can greatly benefit from.

CREATIVE CRAFTS

Round 1: Monday, 20th June to Tuesday, 28th June, 2022
Round 2: Wednesday, 29th June to Thursday, 7th July, 2022
(with the exception of Fridays)

Time: 12:15 to 2:00 pm

Let your inner artist shine in this workshop while exploring the richness and diversity of learning experiences offered by Habib University. By engaging with fun, interactive and artistic initiatives, make the most of this offering by participating in hands-on projects that will hone your arts and crafts skills.

VOICE YOUR VISION – THE POWER OF PUBLIC SPEAKING

Round 1: Monday, 20th June to Tuesday, 28th June, 2022
Round 2: Wednesday, 29th June to Thursday, 7th July, 2022
(with the exception of Fridays)

Time: 12:15 to 2:00 pm

Communicating effectively is an important skill. Knowing how to deliver a message in an eloquent, articulate manner not only conveys one's meaning accurately to an audience, but also ensures that the speaker has left an impact. With this workshop, learn the art of public speaking and engage with crowds confidently and assertively.

THE WORLD OF IDEAS: WHAT IS MADNESS AND WHAT IS HELL?

Round 1: Monday, 20th June to Tuesday, 28th June, 2022
Round 2: Wednesday, 29th June to Thursday, 7th July, 2022
(with the exception of Fridays)

Time: 12:15 to 2:00 pm

Learn how to analyse and synthesize ideas across different mediums to form meaningful and coherent arguments. This exciting workshop seeks to impart these two essential skills in students through profound poems, short stories, paintings, and films.

SUR SANGEET

Days: Monday, 20ᵗʰ June to Thursday, 7ᵗʰ July, 2022 (with the exception of Fridays)

Time: 12:15 to 2:00 pm

Sur Sangeet is a unique workshop that will leave you feeling relaxed and liberated by engaging in learning skills that draw from the South Asian musical heritage. From options that include vocals, string and percussion instruments, you can enrich your university experience by practicing one of the given musical instruments under the supervision of musical maestros and enhance your understanding of South Asian music. Furthermore, SPLASH'ers would become embodiments of the YOHSIN philosophy, which is at the heart of the Habib University experience.

FITNESS FIRST

Days: Monday, 20ᵗʰ June to Thursday, 7ᵗʰ July, 2022 (with the exception of Fridays)

Time: 2:15 to 3:00 pm

De-stress and avail the health benefits offered by wellness based initiatives at Habib University. With this workshop, engage in a mix of exercise/training classes paired with swimming lessons to enjoy your summer while exploring the gym and swimming pool, both keenly sought after spots on campus!
Please note that specific days will be allocated for boys' and girls' swimming and gym classes.

COMMUNITY BUILDING

HEAR THE LIONS ROAR!

As the newest cubs in town, make long lasting connections with the Habib University Community

Days: 24ᵗʰ June and 1ˢᵗ July, 2022 (Fridays)

Time: 10:00 am to 1:00 pm

Make a SPLASH at the University by meeting important stakeholders of the Habib University Community. Aimed at helping the Class of 2026 transition smoothly from high school into higher education, the events scheduled on Fridays will provide a golden opportunity to network with senior students, alumni, and faculty before your first semester begins.
