**Announcement of Integrated Sciences and Mathematics Program Adjunct Faculty
Position for Fall 2022 Dhanani School of Science and Engineering – Habib University
Teaching a Course on ‘Ecology and Evolutionary Biology**

The [Integrated Sciences and Mathematics](#) Program at [Habib University](#) invites applications for an adjunct faculty position to teach a course “Ecology and Evolutionary Biology”. This course aims to familiarize students with ecological and evolutionary concepts that govern natural systems so that they are able to make informed decisions on pressing social issues in Pakistan, such as global climate change, conservation of biodiversity, human population growth, and resource management.

Selected candidates will be offered a short-term one-semester contract to teach in Fall 2022. A typical Fall semester at Habib University starts in August and ends by December.

Habib University opened its award-winning modern campus in the fall of 2014 as Pakistan’s first university of liberal arts and sciences devoted exclusively to undergraduate education. Classes are typically under 25 students - allowing close interaction between students and faculty. The University prides itself both on its need-blind admissions policy – assuring access to all qualified students - and the quality and dedication of its increasingly diverse international faculty - over 93% of whom hold advanced degrees from leading global institutions. The University also enjoys close connections with several prominent institutions of higher education in the U.S., including the Claremont Colleges, Stanford, UC Berkeley, the University of Michigan, and Texas A&M. An innovation in Pakistani higher education, Habib University is also among a handful of global institutions actively rethinking what defines the liberal arts and sciences in the 21st Century.
