

Habib University
shaping futures

**Announcement of Integrated Sciences and Mathematics Program Adjunct Faculty
Position for Fall 2022 Dhanani School of Science and Engineering – Habib University
Teaching a Course on ‘Scientific Methods’**

The [Integrated Sciences and Mathematics](#) Program at [Habib University](#) invites applications for an adjunct faculty position to teach a course “Scientific Methods”. This course builds on the foundations of scientific methods of inquiry and works to apply them to our everyday lives. Utilizing a wide array of examples, it illustrates scientific methods and their applications. It explores matters that are not only for practicing scientists but form an important part of our daily lives such as “How do we make decisions?” “How do we evaluate information?” “Should we trust all information?” “At a time when information is more easily accessible than ever before, how do we intelligently utilize available information in making choices?”.

Selected candidates will be offered a short-term one-semester contract to teach in Fall 2022. A typical Fall semester at Habib University starts in August and ends by December.

Habib University opened its award-winning modern campus in the fall of 2014 as Pakistan’s first university of liberal arts and sciences devoted exclusively to undergraduate education. Classes are typically under 25 students - allowing close interaction between students and faculty. The University prides itself both on its need-blind admissions policy – assuring access to all qualified students - and the quality and dedication of its increasingly diverse international faculty - over 93% of whom hold advanced degrees from leading global institutions. The University also enjoys close connections with several prominent institutions of higher education in the U.S., including the Claremont Colleges, Stanford, UC Berkeley, the University of Michigan, and Texas A&M. An innovation in Pakistani higher education, Habib University is also among a handful of global institutions actively rethinking what defines the liberal arts and sciences in the 21st Century.

Interested applicants are invited to submit their applications to our [online application portal](#). Recruitment-related queries may be directed to academic@habib.edu.pk.
