| Position Title   | Senior Manager- Industrial Relations               |
| Department       | Office of Student Success                          |
| Reporting To     | VP Student Success                                 |
| Type of Position | Full Time / Part Time / Contractual / Internship ) |

### POSITION DESCRIPTION

The incumbent will be responsible for helping the University in expanding its network of Industry Partners relevant to all of its degree programs for a variety of purposes. The person will also be working with the University Industrial Advisory Board (UIAB) and other industry boards by communicating and coordinating with the Board members, engaging them in all planned activities and developing tools to keep them updated about HU. Besides Working with UIAB, the position will also be responsible for supporting the Office of Career Services and all academic programs in building industry relationships and expanding their network of partners for various career and academic related tasks.

### DUTIES AND RESPONSIBILITIES

- **Expanding University's Network of Industry Partners**
  - Identifying key local, regional and international organizations to partner with the University vis-à-vis its academic programs and other needs to collaborate with the industry
  - Communication, coordination and engaging with the identified partners
  - Building and strengthening the relationships
  - Involving the partners in various University activities as per need
  - Creating and maintaining the database of the partners
- **Working with the University Industrial Advisory Board and other Industry Boards**
  - Communicating and collaborating with all UIAB members for all matters
  - Taking a lead in organizing all events and activities pertaining to UIAB
  - Undertaking all documentation related to UIAB such as meeting minutes, event reports, key findings from curriculum meetings etc.
  - Creating and maintaining a website for UIAB
  - Developing newsletter and other essential material to keep UIAB members engaged and updated.
  - As per need identifying new members for industry boards in collaboration with University Leadership
  - Engaging with the identified members to bring them on-board
  - Managing their on-boarding for UIAB
- **Supporting the Office of Career Services and Academic Program Office Engaging with Industry**
  - Closely working with the Head of Career Services and the Directors of Program Offices to support them in enhancing their Industrial relationships as per their annual plans
  - Connecting the Offices with new industry partners
  - Assisting the Offices in establishing formal partnerships with the industry and carrying out various tasks with their collaboration.
  - Leading some cross departmental special industry projects and collaboration
- Support as and when required for other University related events
