

New Student Onboarding Checklist

Hello, and welcome to your Habib Learning Flight HU 2028 to undergraduate education. Your new learning flight will take off in August 2024 but before the takeoff, make sure that you are fully onboard with all necessary tools for a smooth journey.

Following is the checklist of essential tasks you need to do to be onboard for Habib Flight. Assess yourself to gauge where you are. If you have not completed anything yet, please do so. If you need any help, please write to oapadvisor.2028@habib.edu.pk

Please review the onboarding tasks mentioned in the table below and assess which stage you are at in terms of your preparation to board the HU flight!
