STUDENT SUCCESS SERVICES INTRODUCTION

Welcome to Habib University, Pakistan's premier Liberal Arts and Sciences institution of higher learning that provides a comprehensive undergraduate education to nurture future innovators and leaders.

During your first year at Habib, you may be unsure of how the University functions, what your academic requirements may be, what sort of career path you wish to pursue, or where you should go to get the help you need to excel in your academics. Habib University is cognizant of students' needs who are transitioning from high school to university and from university to the job market.

We believe in shaping the future of our students with care and compassion and engaging them in a process of thoughtful self-cultivation. To realize this vision, the University has made significant investments in creating a comprehensive student support services framework. HU Student Support Services ensure the overall wellbeing of students, help them to thrive academically and nurture them into becoming thoughtful leaders and conscious citizens.

In the next few pages, we hope to introduce you to the many resources that are available for students, beginning with their academic journey through the Office of Academic Performance and their on-campus life through Student Life, to their post-university prospects through the Office of Career Services.

Our job at Habib University is to help you find your passion and to foster a new generation of scholars who can positively influence society. We will be with you every step of the way.

OFFICE OF ACADEMIC PERFORMANCE

oap@habib.edu.pk

Student Center

The Office of Academic Performance (OAP) is one of the first offices you will encounter in your campus life, playing a major part in your induction and orientation into Habib University.

The vision of OAP is to ensure the complete academic and intellectual wellbeing of the HU student body. By providing academic advising, as well as connecting students to a wide range of learning support services, OAP ensures students receive all the guidance necessary for their academic success at Habib University.

ACADEMIC ADVISING

In your four-year bachelors program, every semester is at a higher academic level. You may find yourself needing advice on which courses to select each semester and how to improve your academic performance. You will be assigned an OAP advisor at the beginning of your journey at Habib. Your OAP advisor will help facilitate you in navigating your academic path with success and will be with you every step of the way.

Your advisor will help you find the resources you need to help yourself by connecting you to other support services on campus such as Peer-tutoring and the Writing Center. Additionally, they will help you with academic degree audits, which will allow you to keep track of the progress of your degree and graduation requirements.

Your advisor will hold weekly or monthly sessions depending on your needs, and while these sessions may be mandatory, you can always approach your OAP advisor yourself if you need help with anything else.

How to book an appointment with your academic advisor?

Just email your advisor and ask for a meeting, or drop by their office to have a chat.

EHSAS CENTER

 ehsas.center@habib.edu.pk

 Library – Lower Ground Floor

Whether you wish to understand complex course content, conduct group studies, or even set up reading circles to discuss your course readings, the Educational Help, Services, and Academic Support (EHSAS) Center has been designed to attend to all your academic needs. EHSAS prides itself on equipping students with a sense of confidence, a feeling of motivation, and a renewed desire for academic accomplishment.

EHSAS focuses on individual development within a supportive and collaborative learning space. The EHSAS Center primarily runs a Peer Tutoring Program. Peer Tutors conduct individual and group tutoring sessions throughout the semester, hold revision sessions for exams that will help students during their time at Habib University.

The EHSAS Center also conducts skill-based workshops for students looking to refine skills in areas such as holding effective presentations, notetaking, or programming.

To stay up to date with all peer tutoring sessions and workshops, follow the Instagram page of EHSAS Center - Educational Help, Services, and Academic Support Center.

WRITING CENTER

writing.center@habib.edu.pk

Library Information Commons

The Writing Center provides support at every stage of the writing process – from brainstorming to final revision, structuring and organizing your paper as well as building arguments.

In order to help you, the Writing Center has Writing Associates who provide assistance through one-on-one sessions. Just schedule your visits well in advance of your submission deadline so you have plenty of time to revise your paper. While working with a tutor cannot guarantee higher grades or acceptance into a particular program, school, or job, regularly visiting the Writing Center for tutoring sessions may offer a positive impact on your writing. This can, in turn, result in improved grades and acceptances.

The Writing Center also conducts several writing workshops during the year that cater all the students.

To book an appointment with a Writing Tutor, feel free to drop by anytime between 9:00 am and 5:00 pm, Monday to Friday, or book an appointment through the following QR code:

OFFICE OF STUDENT LIFE

life@habib.edu.pk

Opposite Cafe2Go

At Habib University, Student Life plays a central role in building and fostering leadership skills in our students through its four portfolios.

- **Student Leadership** nurtures leadership skills through opportunities to participate in the Student Government, and Student Clubs and Societies.
- **The Health and Wellness** portfolio takes care of student wellbeing through mental health support services, fitness programs and emergency medical support.
- **The Student Development portfolio** invites students to develop their personal skills through volunteering and community service opportunities, and our Life Skills Program.
- **The Student Engagement** portfolio works with our 18 clubs and societies to organize diverse programs for students to nurture their talents. Examples of such activities include but are not limited to HU CON, HU MUN, Sports festivals, concerts and musical events, leadership conferences, etc.

HABIB UNIVERSITY STUDENT GOVERNMENT

student.council@habib.edu.pk

Student Center

The Habib University Student Government, comprising two segments, the Council and the Cabinet, is a student-run organization which exists to represent student interests; to safeguard student rights, to secure an active role for students in deciding official policies and priorities; academic freedom; to guide responsibly and fund student organizations; and finally, to provide a platform for the advocacy of implicit and explicit concerns of the Habib Community.

HEALTH AND WELLNESS

 wellness.center@habib.edu.pk

 Opposite Cafe2Go

The Health and Wellness team strives for a healthy campus environment to ensure the wellbeing of its students by educating and facilitating them to make informed, positive lifestyle choices and take responsibility to practice self-care to achieve their personal health and wellness goals.

The Health and Wellness team focuses on four key dimensions of wellness: physical health and wellness, emotional wellness, social well-being and mental health.

MENTAL HEALTH COUNSELING

 Inside the Clinic

The counseling area is a place where students can meet with mental health counselors in a comfortable and private setting and request one-on-one meetings.

CLINIC

Extension 4597

Across the courtyard from the Office of Health and Wellness

The Clinic provides immediate help in case a student feels ill or is hurt. With a registered nurse or doctor on duty, the clinic is available to provide quick check-ups and first aid.

SPORTS AND RECREATION

The University provides various sports facilities on campus, including sports courts, jogging track, and indoor sports. The official university teams represent Habib at various national events, such as Basketball and Volleyball tournaments, Table Tennis Tournaments, Chess Competitions, etc. We encourage students to participate in sports to stay fit and maintain a healthy lifestyle.

GYMNASIUM AND SWIMMING POOL

wellness.center@habib.edu.pk

Lower Ground Floor – Across Tapal Cafeteria

Habib University Gym & Swimming Pool are equipped with state-of-the-art equipment to keep students, staff, and faculty of the University healthy and fit, under the supervision of gym and pool instructors and trainers. To avail the gym and swimming pool facilities, students may collect and submit the membership form at the gym reception. Besides recreation, these spaces promote a healthy lifestyle.

OFFICE OF CAREER SERVICES

career.services@habib.edu.pk

Ground Floor – near front lobby

The Office of Career Services (OCS) is your key partner in shaping your career. OCS provides guidance to students related to job placements, and entrepreneurial support. From the first day of your enrollment at Habib University, OCS will be working alongside you to ensure that you have clearly defined your career goals. OCS engages students in their career development through Career Curation Program and On-Campus Employment Program.

CAREER CURATION PROGRAM (CCP)

Through a first-of-its-kind Career Curation Program, we aim to prepare students for their future destinations through its carefully designed experiences in collaboration with the industry ensuring their smooth transition into a highly competitive and dynamic industry. The Program integrates career preparation as a part of students' undergraduate education journey so they can reflect on their learning while consistently refining their career aspirations. CCP has two components.

CAREER CURATION PROGRAM CORE (CCP CORE)

CCP Core provides a holistic career development journey for all students at Habib University. In the first two years, they learn to craft their career plans, get industry exposure with relevant mentorship and inculcate core career skills through self-development tools. In the final two years, they advance their preparation by focusing on the stream of their choice i.e. 'Getting ready for Entrepreneurship' or 'Focusing on an Industry based Career'.

Besides training, CCP Core has an intensive part of Career Advising. Our Career Advisers provide one-on-one career advising and counseling to students as per need.

CAREER CURATION PROGRAM - INDUSTRY (CCP INDUSTRY)

This is an exclusive component of the CCP designed for students who are enthusiastically looking to gain first-hand experience of working in the industry. Students enrolled for this component participate in a 'Summer Career Academy' to understand their future careers, meet with industry leaders and work on enhancing multiple skills.

Students further benefit from the **Summer Industry Project**, a collaboration with the industry that allows them to tackle real-world challenges, and the **Winter Mentorship** program, which provides personalized career guidance through one-on-one mentoring with industry representatives and alumni. These components empower students to embark on impactful and meaningful professional journeys.

OFFICE OF CAREER SERVICES

ON-CAMPUS STUDENT EMPLOYMENT

Students are eligible to apply for most on campus employment opportunities starting from their second semester. The Office of Career Services has a centralized system for managing the student employment experience, which serves to provide students with opportunities to gain hands-on work experience, enhance their skills and build a strong work ethic while simultaneously managing their studies.

TEAMS AT OFFICE OF CAREER SERVICES

Career Advising and Training

Career Advisors and Trainers help students explore available options for their future careers in their relevant fields and help them build skills through workshops. Student interested in pursuing industry careers are advised in regards to selecting relevant industries, developing professional tools, preparing for interviews and assessment centers etc.

Whether you would like to pursue a job, or your own entrepreneurial venture after graduation, HU advisors will be there to help and guide you through the process. You can either drop in for meeting with our advisors or schedule a one-on-one meeting.

Career Relations Team

Career Relations helps students connect with employers through, guest speaker sessions, career fair, networking events, recruitment drives and corporate clinics for students to have understanding of job market. The Office of Career Services not only provide guidance students for relevant jobs during their studies but also are available to assist them after their graduation from Habib University.

Student Employment Team

Student employment Team helps students in learning about available student employment opportunities and guide them throughout the process. They also engage with students and faculty/staff for understanding and improving their experiences as employees and supervisors respectively.

OFFICE OF THE GRADUATE SCHOOL CURATION PROGRAM (HU GSCP)

gscp@habib.edu.pk

Dean's Pod

The Graduate School Curation Program is a unique initiative designed particularly to facilitate students who aspire to achieve post-graduate level of education. Through a rigorous support of 2.5 years, the GSCP helps Habib students to prepare for their post-grad applications that maximizes their chances of admission into leading graduate schools and scholarship programs.

Students selected for the GSCP after a holistic selection process receive enhanced funding and structured opportunities for guided as well as independent research in addition to their collaboration with the faculty. GSCP further provides access to a range of special courses and mentorship opportunities. Students will receive support during their application process for graduate schools in form of scholarships that will help them in continuing their journey, enabling them to embark on a lifetime of intellectual curiosity, wide-ranging inquiry, and engagement with the community.

Students can apply to be a part of any of the offerings by GSCP starting from their third semester at HU. Students may receive funding support for one or both of their summer research projects as offered by GSCP; first with faculty and then independently. Students have to enroll in all pre-requisites independently. In these pre-requisites, they are taught about how to carry out research and writing research proposals that help them to prepare for their independent research(es). They learn how to present their research to a wider audience through poster presentations and conferences opportunities. Furthermore, students work on the graduate school applications through extensive assistance from the GSCP in the form of writing workshops, test preparation clinics, engaging in leadership, engagement workshops with their peers, and avail mentorship opportunities.

FACULTY ADVISING

Academic Advising is a central element of the undergraduate experience at Habib University. It is intended to be a collaborative relationship between student and advisor, through which students create educational plans consistent with their academic goals. Every student entering Habib University will be assigned a faculty member as an advisor. Students should meet with their advisors at least thrice per semester to discuss their academic progress.

Students who are struggling academically should first speak with their academic advisor for guidance.

Your faculty advisor can help you select courses for your program and preferred minors or even connect you with other professionals for advice and insights. They are often required to sign off on your course selections so be sure to keep them informed about your choices and reasoning.

A student's faculty advisor is listed in the University's Campus Management System (PeopleSoft) available via the Student Portal at the University's Intranet. Students wishing to change their advisor should make a formal request to the Office of Academic Performance.

You can meet with your advisor by scheduling an appointment or visiting them during faculty office hours. During this time, faculty are most likely to be in their offices, available to discuss assignments, concepts and any general queries.

Faculty offices are located in the Faculty Pods across campus. The pods are clusters of faculty offices, with both formal and informal spaces for interaction between students and faculty.
