

## New Student Onboarding Checklist

Hello, and welcome to your Habib Learning Flight HU 2030 to undergraduate education. Your new learning flight will take off in August 2026 but before the takeoff, make sure that you are fully onboard with all necessary tools for a smooth journey.

Following is the checklist of essential tasks you need to do to be onboard for Habib Flight. Assess yourself to gauge where you are. If you have not completed anything yet, please do so. If you need any help, please write to [oapadvisor.2030@habib.edu.pk](mailto:oapadvisor.2030@habib.edu.pk).

Please review the onboarding tasks mentioned in the table below and assess which stage you are at in terms of your preparation to board the HU flight!

<b>Onboarding Tasks</b>	<b>Status (Pending or Completed)</b>
Attended the Welcome Meeting with the First Year Experience Team (Meeting link can be found in your Welcome Emails)	
Joined the Class of 2030 WhatsApp & Facebook Groups	
Received and activated the Official HU Email Credentials	
Attended the Onboarding Day and submitted my biometric data to HU	
Filled the Health & Technological Readiness Survey (link shared in the Welcome Email)	
Registered for the Summer Academy (June-July 2026, date to be announced)	
Attended enrollment advising meeting for semester 1 courses (date to be announced)	

Reviewed the guidebooks for navigating HU software programs including PeopleSoft and CANVAS (link to guidebooks will be shared soon)	
Participated in other events to better understand HU Community	
Booked my calendar for the Zero Week (Zero Week will take place from August 8 <sup>th</sup> -13 <sup>th</sup> , 2026)
